ASSIGNMENT OF PATENT APPLICATION

WHEREAS, I, MARVIN E. HARTLEY, of North Carolina, have previously been assigned the entire right, title and interest in an application for the United States Letters Patent entitled, "Architectural Trim Product and Method of Mounting", serial number 09/714,322, filed November 16, 2000, as recorded in the U.S. Patent and Trademark Office at Reel/Frame 011312/0926.; and

WHEREAS, ALSCO Metals Corporation, a Delaware corporation, with offices located at 301 Poplarwood Court, Raleigh, North Carolina, is desirous of acquiring the entire right, title and interest in the same, as well as any and all inventions disclosed in the application (hereinafter, the "Invention"), the Application, and any and all Letters Patent of the United States including any divisional, continuation, continuation-in-part, extension, reexamination, renewal and reissue thereof which may be granted for the Invention (hereinafter, the "Patents");

NOW THEREFORE, for good and valuable consideration paid to the same said Marvin E. Hartley by ALSCO Metals Corporation, the receipt of which is hereby acknowledged, Marvin E. Hartley hereby sells, assigns and transfers to ALSCO Metals Corporation the entire right, title and interest in and to the Invention, the Application and the Patents;

TO HAVE, HOLD AND ENJOY the Invention, the Application and the Patents assigned hereby to ALSCO Metals Corporation for its own use and benefit to the end of the term or terms for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by Marvin E. Hartley had this assignment not been made.

AND MARVIN E. HARTLEY HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue the Patents to ALSCO Metals Corporation in accordance with the terms of this instrument.

AND MARVIN E. HARTLEY HEREBY further agrees to execute and sign without further consideration any other legal document, assignment and any divisional, continuation, continuation-in-part, extension, reexamination, renewal, reissue, or other application in and for all patents that may be deemed appropriate and necessary by ALSCO Metals Corporation fully to secure ALSCO Metals Corporation interests as aforesaid in the Invention, the Application and the Patents.

AND MARVIN E. HARTLEY further covenants and agrees that he will at any time upon request communicate to ALSCO Metals Corporation or its legal representative, any facts known to it relating to the Invention, the Application and the Patents and will testify truthfully as to the same in any interference, litigation or any other proceeding related thereto when requested to do so.

AND MARVIN E. HARTLEY does hereby covenant for himself and his legal representatives that he has not assigned or granted any license to make, use or sell the Invention and that it will not purport to assign, license or execute any instrument to that effect in conflict

ASSIGNMENTAugust

THIS ASSIGNMENT is made and entered into this 6th day of ~~June~~, 2003, by and between K Trim, Inc., a recently dissolved North Carolina Corporation (hereinafter referred to as "K Trim", or "Assignor"), and MARVIN E. HARTLEY, a citizen and resident of North Carolina, as well as a shareholder, director and officer of K Trim (hereinafter, sometimes referred to as "Assignee");

WHEREAS, one, Peter M. Keddell, a citizen and resident of North Carolina, invented a roll-forming machine for purposes of manufacturing certain Architectural Trim Products from aluminum; and correspondingly, has invented a process for mounting said Architectural Trim Products; and

WHEREAS, on or about November 16, 2000, pursuant to said inventions, Peter M. Keddell filed an application with the United States Patent & Trademark Office entitled, "Architectural Trim Product and Method of Mounting", patent pending, serial number 09/714,322; and

WHEREAS, contemporaneous with said filing, and for certain good and valuable consideration, Peter M. Keddell, did assign his interest in said invention, together with the entire right, title and interest in and to the invention identified in the above referenced patent application, to K Trim, as recorded in the U.S. Patent and Trademark Office at Reel/Frame 011312/0926.; and

WHEREAS, due to various unfortunate circumstances, a majority of the shareholders, directors and officers of K Trim voted to dissolve K Trim on September 16, 2002;

WHEREAS, as part of the winding up of its affairs, pursuant to North Carolina General Statute §55-14-05, and for certain good and valuable consideration, K Trim desires to assign its interest in the invention, together with its entire right, title and interest in and to the invention identified in the above referenced patent application, to Marvin E. Hartley; and

WHEREAS, Marvin E. Hartley, an individual having a residence at 5804 Glenfiddich Way, Raleigh, North Carolina, 27613, for the benefit of himself, his successors and assigns (hereinafter referred to as the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the invention, all inventions disclosed in the application (hereinafter referred to as the "Invention"), the Application, and any and all Letters Patent of the United States and of all other countries including any divisional, continuation, continuation-in-part, extension, reexamination, renewal and reissue thereof which may be granted for the Invention (hereinafter referred to as the "Patents");

NOW THEREFORE, for good and valuable consideration to K Trim paid by the Assignee, the receipt of which is hereby acknowledged, K Trim hereby sells, assigns and

transfers to the Assignee the entire right, title and interest in and to the Invention, the Application and the Patents;

TO HAVE, HOLD AND ENJOY the Invention, the Application and the Patents assigned hereby to the Assignee for its own use and benefit to the end of the term or terms for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by K Trim had this assignment not been made.

AND K TRIM HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States and the appropriate officers of all foreign patent offices to issue the Patents to the Assignee in accordance with the terms of this instrument.

AND K TRIM HEREBY further agrees to execute and sign without further consideration any other legal document, assignment and any divisional, continuation, continuation-in-part, extension, reexamination, renewal, reissue, or other application in and for all patents that may be deemed appropriate and necessary by the Assignee fully to secure to the Assignee its interests as aforesaid in the Invention, the Application and the Patents.

AND K Trim further covenants and agrees that it will at any time upon request communicate to the Assignee or its legal representative, any facts known to it relating to the Invention, the Application and the Patents and will cause those having knowledge to testify truthfully as to the same in any interference, litigation or any other proceeding related thereto when requested to do so.

AND K Trim does hereby covenant for itself and its legal representatives that it has not assigned or granted any license to make, use or sell the Invention and that it will not purport to assign, license or execute any instrument to that effect in conflict with this assignment.

IN WITNESS WHEREOF, we have each hereunto set our hand and seal on the date set forth below.
